## Accessing the Account Management Portal from the Options tab [GPv3]

Lu Parente - 2015-11-06 - in How-To

The **Account Management** portal allows Administrators to manage all billable aspects of your GeoPro account such as **Administrator & Monitor licenses**, all **device licenses**, **service plan changes**, **suspensions/suspension removals**, **deactivations** as well as your **payment details** and **invoices**.

The Account Management portal is completely self-serve and allows you to manage your account in real-time.

**Note:** The Account Management portal is only available to Administrators.

1. To access the Account Management portal, navigate to the **Options** tab and select **Account Management**.
