Placing a call to the IsatPhone Pro & IsatPhone 2

David Jones - 2017-03-28 - in How-To

Follow the steps below on how to call the IsatPhone from a landline or cellular phone.

Solution 1: Dial from North American landline or cell phone

Call the phone by using the following format: **011** 870 770 000 000.

Solution 2: Calling from another IsatPhone

Use the following format when dialing: **00** 870 770 000 000.
