Sending an Email message to an IsatPhone Pro & IsatPhone 2

Lu Parente - 2017-05-04 - in How-To

Follow the steps below on how to send an email message to an IsatPhone handset using the Inmarsat Email-to-Text service.

Note: Messages must only contain text and should not contain images, attachments, signatures or HTML formatting.

1. Using your email client, compose a new message.
2. Send your email to **870xxxxxxxx@message.inmarsat.com** (where 870xxxxxxxx is the IsatPhone mobile number).
3. Type in the desired message.
4. Send the email and it will be delivered the IsatPhone handset.
