Viewing & Selecting Recent Messages from the Home tab [GPv3]

Lu Parente - 2015-09-29 - in How-To

The Recent Messages section of the Home tab will display 3 of the most recently transmitted messages from any of the active devices on your account.

1. Select any of the messages from the Recent Messages list.

2. The Inbox for the selected user will be displayed and the map will filter accordingly.
